The more wipes and tissues we have, the less germs we spread.

Due to the accumulation of certain supplies, we have removed the following from our list for the 2023-24 school year.

- Pencils
- Elmer's bottle glue
- Construction paper
- Sandwich bags
- Scissors
- Dixie Cups

We have instead increased tissues & baby wipes. We ran out of these more quickly. Especially the wipes & tissue during cold and flu season.

We wipe things down daily with Clorox wipes, so the rooms are disinfected for the next day.
