The more wipes  
and tissues we  
have, the less  
germs we spread.

**Due to the accumulation of certain supplies, we have removed the following from our list for the 2022-23 school year.**

- Pencils
- Elmer's bottle glue
- Construction paper
- Sandwich bags
- Baby wipes
- Scissors
- Dixie Cups

We have instead increased Clorox wipes, tissues, & paper plates. We run out of these more quickly. Especially the wipes & tissue during cold and flu season.

We wipe things down daily with Clorox wipes, so the rooms are disinfected for the next day.
