Agape's History

One of the pillars of the mission of Agape Church is to *Serve People Passionately*. Agape Academy is an outreach of the church that does just that. Founded in 1985, as a ministry to the families of Agape Church, our first years were spent in the basement of the church building. In 1992, the current school building opened and welcomed families from throughout the community. The Family Life Center was added in 2002 and helped further our mission to provide excellence in Christian education to the families of central Arkansas. Today, at the start of our thirtieth year, we are vibrantly growing and looking forward to many more years of service, instruction, love, and ministry.

Mission Statement- Love God, Love Children, Teaching and Reaching our World

STATEMENT OF FAITH

Agape Academy is a branch of Agape Church and adheres to the following beliefs:

1. We believe the Scriptures, both Old and New Testaments, are the inspired Word of God, without error in the original writings, the complete revelation of His will for the salvation of mankind, and the final authority for all Christian faith and life (John 1:1; 2 Timothy 3:16-17; 2 Peter 1:20-21).
2. We believe the one true God exists eternally in three persons: Father, Son, and Holy Spirit. These three are equal in deity, power, and glory (Matthew 28:19; 2 Corinthians 13:14; John 14:26).
3. We believe Jesus Christ is God incarnate, fully God and fully man. He was conceived by the Holy Spirit, born of a virgin, lived a sinless life, and offered himself as a substitutionary sacrifice for sinners. He was raised on the third day and ascended to the right hand of the Father. He makes intercession for the saints (Isaiah 7:14; Hebrews 7:25; Romans 8:34).
4. We believe the ministry of the Holy Spirit is to glorify the Lord Jesus Christ. The Holy Spirit also convicts unbelievers of their need for Christ and imparts spiritual life through regeneration (the new birth). We believe that the Lord Jesus Christ baptizes believers in the Holy Spirit (Matthew 3:11; John 15:26-27; 16:7, 8).
5. We believe Adam was created in the image of God and without sin. In consequence of his disobedience, Adam's posterity are born subject to sin and moral corruption. (Genesis 1-3; Romans 5:9-18; Ephesians 2:1-3).
6. We believe we are justified by grace through faith in Christ. No ordinance, ritual, work, or any other activity on the part of man is required in order to be saved. This saving grace of God, through the power of the Holy Spirit, also sanctifies us by enabling us to do what is pleasing in God's sight in order that we might be progressively conformed to the image of Christ (John 1:12-13; Acts 16:30-31; Ephesians 2:8).
7. We believe water baptism and the Lord's Supper are the two ordinances of the church to be observed until the time of Christ's return. They are not a means of salvation but are

sacramental channels of God's sanctifying grace and blessing to the faithful in Christ Jesus. Only those who have personally and consciously placed their faith in Jesus Christ as Lord and Savior are qualified to receive the sacraments (Matthew 26:26-29; Romans 6:3-11; 1 Corinthians 11:23-34).

8. We believe God's original creative design, as set forth in Scripture, is for complete fidelity (physically, emotionally, and spiritually) within heterosexual and monogamous marriage. Regardless of one's marital status, we believe the Christian should pursue purity and abstain from sexually immoral practices such as adultery, premarital sex, homosexuality, and pornography (Matthew 19:4-6; 1 Corinthians 6:9-20, Ephesians 5:3-14).
9. We believe when Christians die they pass immediately into the blessed presence of Christ. We believe when the unsaved die they are consigned to hell, there to await the day of judgment when they shall be punished with eternal separation from the presence of God (2 Corinthians 5:1-10; Philippians 3:20-21; Revelation 20:11-15).

Christian Philosophy of Education

Agape Academy presents all learning objectives from a Christian perspective and a Biblical worldview. A personal relationship with Jesus will affect the student's academic, social, emotional, physical, and spiritual development.

Agape Academy's Christian Philosophy of Education is as follows:

- We believe the fear of the Lord is the beginning of knowledge and all knowledge has its foundation in the Word of God (Proverbs 1:7).
- We teach the Bible as God's inspired Word and help the students to develop attitudes of love and respect toward it (2 Timothy 3:16).
- We train the students to set their hope in the Lord, love Him, and keep His commandments (Jeremiah 17:7-8).
- We encourage our students to develop a desire to know and obey the will of God as revealed in the Scriptures (Deuteronomy 6:2).
- We seek to impart an understanding of the purpose of discipline and to teach the student to govern himself by the power of the Holy Spirit (1 Corinthians 2:10-16).
- We promote the student's involvement in the local church and his/her participation in the Great Commission (Acts 1:8).

Accreditation/Affiliation

Agape Academy is accredited through: International Christian Accrediting Associations (ICAA), AdvancEd, and a member of Arkansas Nonpublic School Accrediting Association (ANSAA).

Agape's preschool program is licensed by the Arkansas Department of Human Services.

COMMUNICATION WITH PARENTS

Agape Academy teachers understand the importance of parental involvement in their students' education experience. Below are a few ways our dedicated teachers try to keep parents informed about learning experiences in the classroom:

- **Daily Behavior Charts**
For preschool and kindergarten students, our teachers provide a daily behavior chart to help parents monitor the progress of their child's social, emotional, behavioral, and academic learning needs.
- **E-mails**
Much of our school's calendar and activity information is communicated in emails. Parents should provide an email address that they check on a daily basis. Also Social Media updates through Facebook, Academy and PTO.
- **Parent Text Alerts**
Agape Academy will send text alerts to each parent/guardian to communicate essential information. Text alerts are usually reserved for unusual circumstances such as school closings.
- **Parent-Teacher Conferences**
Parent teacher conferences are held twice a year to enable parents and teachers to fully discuss the development of each student. The conferences provide an opportunity for parents and teachers to strengthen the ties between the home and school.
- **School Website/RenWeb**
Basic information about our school and policies can be found on our website. Parents should also view their RenWeb account on a regular basis for constant access to all student data such as attendance records, lunch orders, progress reports, homework assignments, and behavior goals.
- **Take Home Folders**
Preschool and elementary students will have a designated take home folder. This folder allows parents to quickly determine if school papers should be left at home or returned to school.
- **Other**
Parents are welcome to contact the classroom teacher anytime they have a question about their child's educational experience. Teachers will be glad to return phone calls or email after school or even schedule an informal conference to help keep parents informed of their child's progress.

GRADING SCALE (ACADEMICS)

Preschool Scale

Preschool children do not receive report cards. They are evaluated on skills mastered during the school year.

Kindergarten Scale

E	Excellent
S	Satisfactory
N	Needs Improvement
U	Unsatisfactory

Elementary Scale

Core Academic Subjects		Fine Arts, Conduct, Penmanship, and Physical Education	
A	90-100	E	Excellent
B	80-89	S	Satisfactory
C	70-79	N	Needs Improvement
D	60-69	U	Unsatisfactory
F	59 and below		

An "I" indicates an incomplete or missing assignment for the grading period. Incomplete work at the end of a grading period may result in a zero percentage grade for each missing assignment.

GRADING SCALE (CONDUCT)

Student conduct is graded at the end of each nine week period. Classroom conduct rubrics are used to disaggregate student demeanor into the following categories: academic, attention, behavior, and social. One overall grade is determined using the following scale:

E	Excellent
S	Satisfactory
N	Needs Improvement
U	Unacceptable

HOMEWORK

Homework is a fundamental part of a school program. Homework benefits the student in the following ways:

- Allows the student time to practice new skills
- Provides opportunities to enhance critical thinking methods
- Develops time-management skills
- Assimilates the student's responsibility for his own learning

The amount of homework varies by the student's developmental skills or grade level. The homework agenda purchased through the school office provides a record of daily homework assignments for parents to review. Assignments may also be viewed via RenWeb. Students are expected to complete all homework assignments within the designated time frame provided by the classroom teacher.

PROMOTION/RETENTION

Agape Academy strives to meet the academic and spiritual needs of every student. While teachers may provide notifications of low achievement scores, parents are also encouraged to monitor their child's learning through RenWeb on a regular basis. Students who struggle in core academic areas such as reading, phonics, language, or math might be required to attend tutoring. If a student receives a failing grade for the final average in a core subject area, administration will schedule a conference with the parents to evaluate the promotion or retention of the student.

RENWEB

Renweb is a secure student information website that manages all school related evidence per each student. Each parent/family has a personal account that allows constant access to all student data such as attendance records, lunch orders, progress reports, homework assignments, and behavior goals. RenWeb also provides parents with complete access to all school related calendar activities and events. Parents are asked to check their RenWeb accounts regularly for daily academic progress of their child/children and to update any changes in contact information.

REPORT CARDS/PROGRESS REPORTS

Progress reports are emailed to parents at the approximate midpoint of each quarter to give parents and students an assessment of academic development. Report cards are issued at the end of each nine week grading period. However, it is recommended that parents view grades on RenWeb on a weekly basis to stay informed of their child/children's progress.

STANDARDIZED TESTING

All elementary students are assessed using the Terra Nova norm-reference test in the spring of each year. Test scores are used for curricular decisions and programming. Results of the tests are provided to parents, and a copy of the results are placed in the student's permanent school file.

ATTENDANCE

ABSENCES/TARDINESS

In order for students to gain the most from their educational experience, it is best if they arrive at school on time and attend all classes regularly. Daily attendance is a vital part of student success.

Students should not miss more than 12 days per semester. Excessive classroom tardiness and/or absences may prohibit promotion to the next grade level or future enrollment at Agape Academy.

Agape's policy on absences/tardiness is as follows:

- Only the following absences are deemed excused:
 - Family Emergencies
 - Unavoidable Medical Appointments
 - Illness of student-parents should notify the school office by 9:00 a.m. on days when the student is absent due to sickness
 - Other- absences cleared with administration and the classroom teacher

When returning to school, parent(s) should send a signed note/email with a brief explanation of the absence.

- All other absences are considered unexcused.
- Tardiness
 - Students arriving after 8:15am will be considered tardy and must be signed-in through the front office by their parent.
 - Six days of tardiness within a quarter will require parental consultation with administration before the student is admitted to class

Students are responsible for completing all missed assignments within an appropriate time frame provided by the classroom teacher. They should not expect delays in test schedules due to an absence prior to test day. Consideration to circumstances will be provided if a student misses several consecutive days.

EARLY CHECK-OUT

Parents/Guardians must sign-out students through the school office for a child to be eligible to leave the classroom/campus during the scheduled day. The office will notify the classroom teacher, and students will meet parents in the office for departure.

WITHDRAWAL

Parents choosing to withdrawal a student from the school permanently should contact the school office and complete a withdrawal form for administration. All outstanding payments and fines must be paid. Textbooks and library books should be returned. Permanent records will be released after all school accounts are settled.
